

## CIRCULAR

1. Students must attend the internal and unit tests to appear for the university examination.
2. A student is expected to attend 100% of the theory and practical classes. In case of medical emergency or any other valid cause a student needs to submit necessary supportive documents to justify the cause of absenteeism. In that case a student needs to attend a minimum of 75% of classes (theory and practical separately). No student is allowed to appear in internal examinations and university examinations without minimum attendance. A student have to secure minimum 75% attendance before appearing in the internal examination.
3. Students must obtain 50% marks in the internal examination to appear in the university examination.
4. Students who fail to take an internal examination due to any valid medical cause must appear for a special examination before the university examination.
5. The topper of each batch will be awarded during the Annual Day program.
6. Highest attendance will be awarded during the Annual day program
