

NOTICE – Career Talk: Opportunities After Bachelor of Physiotherapy

This is to inform all concerned that the Career Counselling Committee – NIHS will be organizing an interactive career talk on **Opportunities After Completion of Graduation in India and USA**.

The session will be 60 minutes long, and students are encouraged to actively participate and ask questions related to career paths and job prospects in the field of physiotherapy.

Event Details:

- Date: 6th November, 2025 (Thursday)
- Time: From 11:00 AM
- Venue: Communis Auditorium
- Maximum Registrations: 50 participants
- Registration Fee: Free

Speaker:

Mr. Adil Hussain

An alumnus of St. Xavier's College, Kolkata and Tata Institute of Social Sciences, Mumbai, Mr. Hussain holds a Master's degree in Hospital Administration. He is the founder of two home healthcare companies:

- **GROW CARE** – Based in India, with offices in Mumbai, Delhi, and Kolkata
- **Al-Shifa Home Healthcare** – Based in the USA

With over 8 years of experience in the home healthcare industry, **Mr. Hussain** has played a key role in shaping the organized sector of home healthcare in India.

We encourage all interested students to register early and take advantage of this valuable opportunity to explore diverse career avenues after graduation.

For registration contact Dr. Anwesh Pradhan (PT), Associate Professor

For Nopany Institute of Healthcare Studies
